CALL FOR EXPRESSIONS OF INTEREST

Establishment of a Roster of National and International Consultants

Reference	AMI/INCLUSIV'/ROSTER/001/2026/EN
Publication date	1 November 2026
Submission deadline	31 December 2026

I. Company profile

INCLUSIV' Governance & Gender Consulting is a consulting firm based in Kinshasa, Democratic Republic of Congo, operating at national and international levels. It supports public institutions, development organisations, businesses and civil society organisations in the design and implementation of inclusive, accountable and sustainable initiatives. Its work responds to the need to strengthen governance, the rule of law, access to justice, human rights, gender equality, and the empowerment of women and young people.

In response to increasingly complex institutional, social and economic challenges, INCLUSIV' provides expertise tailored to the realities and specific needs of its partners. The firm applies an approach based on contextual analysis, stakeholder participation, attention to inequalities, and the pursuit of practical, measurable and applicable solutions. It also ensures the mainstreaming of gender, human rights and the principle of leaving no one behind across the policies, programmes and interventions it supports.

Among other services, the firm provides strategic advisory services, technical assistance, research, project and programme design, independent evaluation, legal and organisational support, as well as the organisation and management of conferences, workshops and events.

To respond effectively to diverse requests and rapidly mobilize specialized expertise, INCLUSIV' intends to establish a roster of national and international consultants with complementary expertise across its areas of work.

II. Purpose of the call

This call aims to identify national and international individual consultants with relevant technical expertise and experience in the firm's areas of work.

Selected profiles will be included in a consultant database and may be contacted for short-term assignments, studies, evaluations, training, technical assistance or other services aligned with their expertise.

III. Profiles sought and levels of expertise

Expressions of interest are invited from experts in the following twelve (12) thematic areas (each candidate may submit a maximum of two areas of expertise):

1. **Inclusive governance, human rights and justice**
   - Democratic and institutional governance.
   - Decentralisation and local governance
   - Human rights and access to justice.
   - Civic space
   - Transitional justice.
   - Drafting and analysis of legal instruments, contracts, conventions and agreements.
2. **Gender, inclusion and protection**
   - Gender equality and social inclusion.
   - Prevention of and response to gender-based violence.
   - Combating discrimination, harassment, sexual abuse and exploitation
   - Rights and protection of vulnerable persons.
   - Public finance and gender-responsive budgeting.
3. **Women, Peace and Security**
   - Women's participation in peace and governance processes.
   - Conflict prevention and resolution.
   - Peacebuilding and social cohesion.
   - Implementation of the Women, Peace and Security Agenda.
   - Stabilisation, humanitarian action and resilience
4. **Health, sexual and reproductive rights, adolescents and youth**
   - Sexual and reproductive health and rights.
   - HIV prevention and response.
   - Participation, empowerment and protection of adolescents and young people;
   - Design of programmes tailored to the needs of young people.
5. **Inclusive economic development and entrepreneurship**
   - Inclusive trade, the African Continental Free Trade Area (AfCFTA), and women's economic empowerment.
   - Women's entrepreneurship.
   - Business creation, structuring and support.
   - Development of inclusive value chains
   - Private sector development
6. **Climate change, natural resources and extractive industries**
   - Climate change and green growth.
   - Governance of natural resources and extractive industries.
   - Gender mainstreaming in the mining, energy and environmental sectors.
   - Disaster risk reduction
7. **Employment, social protection and decent work**
   - Employment and professional integration policies.
   - Employment for young people and women.
   - Inclusive social protection.
   - Skills development and alignment with labour market needs.
8. **Institutional development and programme management**
   - Institutional and organisational assessments and development.
   - Project and programme design and formulation.
   - Monitoring and evaluation of projects and programmes.
9. **Digital innovation and data**
   - Digital transformation of institutions, organisations and businesses.
   - Data collection, management, analysis and visualisation.
   - Digital innovation applied to governance, gender equality and development.
10. **Training and capacity development**
    - Training design and instructional engineering.

- Institutional support and capacity development.

11. Facilitation, communication and advocacy

- Moderation of conferences, consultations and multi-stakeholder dialogues.
- Institutional communication.
- Advocacy and communication for development.
- Protocol, public relations and event communication.

12. Translation and interpretation

- Professional document translation.
- Consecutive or simultaneous interpretation.
- Languages sought: French, English and Spanish.

IV. Qualifications and Work Experience

The required qualifications and experience will vary depending on the nature of each assignment. The roster will include the following categories of consultants:

- **Junior consultants**: Hold a bachelor's degree in one of the relevant fields and have at least three years of relevant professional experience.
- **Senior consultants**: Hold a master's degree in one of the relevant fields and have five to seven years of relevant professional experience.
- **Lead experts or team leaders**: Hold at least a master's degree in one of the relevant fields and have a minimum of ten years of professional experience, including demonstrated experience in coordinating teams or leading complex assignments.

V. Application package and submission procedure

Interested consultants are invited to submit an application package comprising:

1. A letter of expression of interest specifying the relevant area or areas of expertise.
2. An updated and detailed curriculum vitae.
3. A list of at least three similar assignments, with a brief description of the services provided.
4. Samples of previous work or deliverables, where relevant.
5. Contact details for three professional references.
6. An indicative daily rate, expressed in USD ($), if desired.

Applications must be submitted by email to the following addresses:

Email addresses: recrutement@inclusivconsulting.com; inclusiv-consulting@outlook.com
Email subject: Expression of Interest – Consultant Roster – [area of expertise]
Deadline: **31 December 2026.**

Documents must be submitted in **PDF format**. Incomplete applications, or applications that do not clearly identify the candidate's area of expertise, will not be reviewed.

VI. Equal opportunity and confidentiality

INCLUSIV' encourages applications from women, qualified young professionals, persons with disabilities, and candidates from diverse geographical and professional backgrounds.

Information submitted will be treated confidentially and used solely to review applications, establish the roster and identify profiles suited to future consulting opportunities.

V. Important notice concerning the roster

This call for expressions of interest **is not a job offer or a recruitment process for a specific position.**
Inclusion of a consultant in the roster creates no contractual obligation for INCLUSIV' and does not guarantee the award of an assignment.
Only consultants whose profiles meet the requirements of a specific assignment may be contacted when a relevant opportunity arises. For each assignment, the firm may conduct additional verification of the consultants' qualifications, experience, availability and financial conditions.
The firm reserves the right to update the roster, add or remove profiles, and use other methods to identify consultants according to assignment needs.
